

iGolf Mobile v2.0 Now Available for BlackBerry
Free Access to Golf GPS Data and Listings for Over 33,000 Courses

SAN DIEGO, August 24, 2010 – L1 Technologies, parent company of the [iGolf](#) brand, has announced the release of iGolf Mobile version 2.0 for BlackBerry. iGolf Mobile provides golfers with free professionally mapped distances to the Front, Center, Back of the green and custom points, along with listings for more than 33,000 golf courses worldwide. Golfers who upgrade to a Premium Membership can access interactive maps with distance to any point on the hole for detailed shot planning.

The current release is compatible with the BlackBerry Tour 9630 and BlackBerry Bold 9700. [iGolf Mobile](#) is also available for iPhone, Palm Pre and Android enabled phones.

"We are excited to release a powerful, free golf GPS application for BlackBerry owners," said Gary Symington, General Manager of the iGolf Division. "iGolf now provides a free enterprise level application across four different mobile platforms, and we look forward to expanding our presence in the future ."

Free Membership Features

iGolf Mobile includes precise distance to the Front, Center, Back of the green and custom points (bunkers, water, hazards) on each mapped hole. Golfers can also use the app to measure shot distance, keep score for up to four players and track handicap/statistics.

Access to the latest golf news and exclusive opinion articles, as well as independent course, equipment and travel destination reviews are available within iGolf Mobile. An interactive map of the first hole on every course, showing the distance to any point on the hole, is also included for free as a premium membership preview.

Premium Membership Features

Golfers who upgrade to a Premium iGolf Mobile Membership can access interactive hole maps with multi-level zoom for detailed shot planning on available courses. Premium maps provide distance to any point on the hole, allowing golfers to measure the exact distance to pin locations, hazards, lay up points and any other target on the course. Premium Membership is available on a monthly (\$5.00) or annual (\$50.00) basis.
